

Himalayan Artisans Export Ltd.

Export Catalog & B2B Partnership Presentation | Handcrafted Singing Bowls

1. Executive Summary

We are premier exporters of authentic Himalayan hand-hammered singing bowls, meditation gongs, and sound-therapy accessories. Crafted using traditional 7-metal alloy techniques, our instruments are trusted by wellness centers, yoga studios, and spiritual boutiques across North America, Europe, and Asia-Pacific.

2. Product Range & Specifications

- **Full Moon Singing Bowls:** Crafted under moonlight with superior acoustic resonance and sustained frequency for chakra alignment.
- **Jambati & Thadobati Bowls:** Deep curved traditional shapes offering warm, low-frequency sound baths.
- **Therapeutic Singing Bowl Sets:** 7-piece tuned sets matching standard 432Hz and 528Hz healing frequencies.
- **Accessories:** Suede-wrapped rosewood mallets, silk brocade cushions, and protective travel cases.

3. B2B Wholesale & Customization Benefits

- **Direct Manufacturer Pricing:** Eliminating middleman markups with direct FOB/CIF container shipping.
- **Custom Branding & OEM:** Laser engraving, custom packaging, and barcode integration for retail shelves.
- **Strict Quality Assurance:** Frequency testing and metal composition certificates included with every shipment.
