Himalayan Sound Healing Bowls Catalog — Acoustic Therapy Grade 7-Metal Instruments

1. Product Overview

Authentic hand-hammered 7-metal acoustic healing bowls forged in the Himalayas for certified sound therapists, meditation centers, and holistic distributors. Each bowl is individually master-tuned for clinical sound baths and therapeutic acoustic resonance.

2. Export Specifications & Catalog Line

- **Therapy Master Bowls:** 10-inch to 14-inch heavy-gauge bowls calibrated for deep vibrational body placement.
- **7-Chakra Tuned Sets:** Harmonically calibrated root to crown octave sets.
- **Export Packaging:** Reinforced wooden crates with custom foam inlays and striker sets included.

3. Wholesale Terms & Compliance

- **FOB / CIF Export Tiers:** Direct factory pricing with volume discounts on MOQs over 20 units.
- **Custom Branding & Packaging:** Custom laser engraving, retail boxes, and multilingual instruction inserts.
- **Quality Certification:** Acoustic frequency calibration, metal alloy purity certificates, and customs documentation.
